LA CANADA CONCESSIONS

La Canada residents report that conferences with telephone officials have finally resulted in a compromise agreement by which the company agrees to let the telephones of Home subscribers in that district alone but will not install any more on that line east of Burr avenue. They also agree to allow free connections to continue between La Canada and Glendale to patrons on that line. This is a great satisfaction to La Canada telephone users who have many strong linkings with Glendale not the least of which is the Union High School which their students attend and which their taxes help to support, but when it comes to Los Angeles connections they will be up against the same hard proposition that Glendale is facing.

ADOPTS FRENCH ORPHAN

The Glendale Garden Society has undertaken the maintenance of a little French orphan for the coming year. Arrangements have been made by a committee composed of Mrs. H. C. Ackley, Miss Olive Williams and Mrs. Nanio Woods with the Society of the Fatherless Children of France to adopt a little boy named Charles Gilles, who will be four years old on the 15th of this month. He and his mother live in Le Havre, France; the father was killed fighting against the Huns. It is hoped that a letter from Charles' mother will be received in the near future, giving some details as to their family conditions.

INDUCT OFFICERS

INSTALLATION CEREMONIES TAKE PLACE AT GLENDALE LODGE, I. O. O. F.

At their hall, corner Isabel and Wilson, the Odd Fellows' Lodge met in regular session. District Deputy Grand Master Abernathy and staff were present and installed the following brothers into their respective chairs: Bro. Rambo, Noble Grand; Bro. Scovern, Vice Grand; Bro. Brown, Recording Secretary; Bro. Fanset, Financial Secretary, and Bro. Lund, Treasurer.

At the close of the Lodge session, Bro. Fish served a lunch consisting of cheese sandwiches, coffee and apples. Everybody had an enjoyable time.

During the session when the subject of Armenian Syrian Relief came up, there was a hearty response and it was unanimously voted to extend every possible help and encouragement to the drive as outlined by the committee. Four automobiles were offered and there will be a number of the members present on Wednesday to assist in the house to house canvass. The Odd Fellows of Glendale are in most hearty sympathy with this movement.

POSTPONE OPENING

SCHOOLS TO REMAIN CLOSED BY RECOMMENDATION OF HEALTH OFFICER CHASE

To the Glendale Evening News:—Please announce on behalf of the Board of Trustees of Glendale City Schools that we will not be able to reopen the schools next Monday as we had hoped to do. This decision was reached after conference with City Health Officer Chase who stated that the conditions with regard to the influenza epidemic are not such as to justify the reopening at the present time; furthermore the prevalence of the epidemic in Los Angeles makes necessary extra precautions in near-by suburbs because of the intercourse between city and country, in the opinion of the City Health Officer.

Children in the seventh and eighth grades will continue their home work.

Children in the fifth and sixth grades are requested to call at their respective schools Monday, January 13th, at any time between the hours of one and three o'clock p. m. to get their books and assignments of work. The assignments will be posted on the doors and the teachers will issue the books.

I have been frequently asked by parents whether it is going to be possible for children in the grade schools to complete the year's work within the year under these conditions. I have told them that if the schools open any time within the near future we shall plan to so modify the work as to make it possible for the children to complete it within the year. Children in the upper grades who are not doing the home work assigned them, will probably not make their grades. We find our responses good, however, and the big majority are doing the work. Some are paying no attention to it and will not, of course, be advanced. We shall promote every child who deserves promotion.

RICHARDSON D. WHITE,
Superintendent of Schools.

Dr. A. L. Bryant of the Board of Trustees of Glendale Union High School reports that at a meeting of the Board held Thursday afternoon a decision was reached to postpone the re-opening of the High School for one week. This was done on the advice of the City Health Officer.

WITH VICTORIOUS ARMY

PRVT. CARL FRIEDGEN, SOLDIER OF ARGONNE, AWAITS RE- LEASE IN BELGIUM

Three interesting letters have been received by Mr. and Mrs. George Friedgen, of 129 Park avenue, this city, from their son, Carl Friedgen, who is in Company A, 316th Engineers, A. P. O. 776, A. E. F. The first one, dated October 17th, "Somewhere in France," reads as follows: "My Dear Parents:—It has been some time since we have had opportunity to write, but I am taking the first one to drop you a few lines.

"Our division has been up at the front where we had no time for writing, but we are back now billeted in a small town.

"Everything is about as usual and I have been getting your letters O. K., the last one three days ago. Once in a while we get second-class mail but not very often. I am writing this by candle light and have nearly burned it up, but it is readable.

"Suppose you hear of the Germans getting enough of this rough stuff over here and hope they come to a realization of it pretty soon.

"The weather is rather bad now, either a drizzling rain or else cloudy but not so very cold as yet. Today we had a new issue of clothes, heavy underwear, etc., and I had my first bath for a long time. It was a nice hot shower, too, rigged up near the creek.

"Most of the towns are blown up, but some houses left standing are now occupied.

"Tonight I had dinner with an old Frenchman and his wife, she being a nice old lady. Her cooking she does in pots hanging in the fireplace. They have a cow and I had bread and milk, an egg and a small piece of thin bologna sausage. Over here we will not be entitled to receive more than one package, so enclosed is a coupon you may attach to a box. Some fruit cake and dried figs would taste good over here or anything like that.

"I would like to be with you this Christmas, but guess there is no doubt that next Christmas will find me at home."

MARINE WORKERS DEFY AUTHORITY

REFUSE TO AGREE TO 48-HOUR ARMISTICE TO ALLOW FOOD AND FUEL TO BE BROUGHT TO NEW YORK

(Special Service to Glendale Evening News)

New York, Jan. 10.—Striking marine workers here today refused to agree to a 48-hour armistice, as requested by the federal government administration, so that fuel and food could be brought to New York.

Washington, Jan. 10.—The New York marine strike has been referred to President Wilson by cable.

REVOLT AGAINST JUGO-SLAVS IN MONTENEGRO

(Special Service to Glendale Evening News)

Rome, Jan. 10.—The Montenegrin consul here today announced that Montenegro has revolted and ordered all Jugo-Slavs to leave the country by January 13.

EBERT GOVERNMENT VICTORIOUS

TROOPS UNDER HINDENBURG RALLY TO ITS SUPPORT AND HOLD ALL GATES TO CAPITAL

(Special Service to Glendale Evening News)

London, Jan. 10.—The Ebert government in Berlin has apparently emerged from the revolution entirely victorious. Hindenburg has been directing the activities of government troops in Potsdam for the last two days. It is understood, according to dispatches arriving here, that he does not intend to permit the holding of the national elections until quiet has been restored.

The "Red Flag," the Spartacus newspaper in Berlin, has been seized by a group of students supporting the government.

Volunteers are flocking to join the government army. The cavalry and Prussian Guard are holding all the gates to the capital. The government has recaptured practically all the important public buildings, although the Spartacists apparently hold the water works and power plants, leaving much of the city without light and water.

The newspaper "Germania" declares that over one thousand Russian Bolsheviks are fighting on the side of the Spartacists.

LEGISLATURE TO ACT ON PROHIBITION

NATIONAL AMENDMENT TO COME TO VOTE IN CALIFOR- NIA SENATE TONIGHT, IN ASSEMBLY MONDAY

(Special Service to Glendale Evening News)

Sacramento, Jan. 10.—The national prohibition amendment today was reported by the committees in both the Senate and the Assembly with a recommendation for passage. In the Senate Inman, of Sacramento, filed a minority report, opposing the amendment, and in the Assembly Gebhardt of Sacramento and Eckward of Burlingame filed minority reports. The Senate expected to reach a vote tonight and the Assembly Monday.

"FELLACIO LAW" UNCONSTITUTIONAL

PRISONERS HELD UNDER IT IN CALIFORNIA PENITEN- TIARIES WILL BE RELEASED

(Special Service to Glendale Evening News)

San Francisco, Jan. 10.—All male pervers in California prisons will be released under a supreme court decision rendered today, which declares the so-called "Fellacio Law" unconstitutional because the law is written partly in Latin.

AIR RAID IN BERLIN

DISPATCHES REPORT THE BOMBING OF RAILWAY STA- TION BY GOVERNMENT FORCES

(Special Service to Glendale Evening News)

Copenhagen, Jan. 10.—A press dispatch reaching here today said that Berlin on Wednesday night experienced the horrors of an air raid. Government airplanes bombed the railway station, killing sixty-five people.

Other dispatches received today said that the Spartacus movement is spreading to Rheinisch Westphalia.

Carl Liebknecht, the Spartacus leader, barely escaped lynching Wednesday night, when a mob dragged him from a taxi in Unter den Linen, but he was rescued by a group of his followers.

GETTING TIRED OF THE "SHOW"

AMERICAN PEACE DELEGATION WANTS TO GET DOWN TO BUSINESS WITHOUT DEMONSTRATIONS

Paris, Jan. 10.—The American peace-delegation is ready and anxious to get down to business, feeling that there has been enough of show. The preliminaries are becoming increasingly confusing. Engagements for conferences are being broken hourly. Diplomats call to fill engagements to find no one awaiting them.

The French want a demonstration with an address by President Poincaré to mark the opening of the conferences. President Wilson wants to start business without such a demonstration, believing that the "show" can come later.

DEATH OF A. L. WEAVER

INFLUENZA COMPLICATED WITH OTHER DISORDERS ENDS BRIGHT CAREER

Intimate friends of Mr. and Mrs. A. L. Weaver were shocked by news of the death of Mr. Weaver at Berkeley, California, conveyed in a telegram to M. P. Harrison, of this city, from M. L. Weaver, father of the deceased, who went north Wednesday night when summoned by telegram but arrived too late to see his son. A. L. Weaver, alive, as the young man died Thursday morning. The message received by Mr. Harrison Thursday afternoon stated that Mrs. A. L. Weaver is in the hospital and that Mrs. M. L. Weaver is confined to her bed with a heavy cold.

The death of this young man who had everything to live for and a bright career before him, amounts to a tragedy, and the wife and relatives thus bereft, have the deep sympathy of the community. He was a native of Nebraska and a graduate of a chemical engineering course in the University of Nebraska. For eight years he has resided in South-

ern California and about six years of that time in Glendale where he and his wife established themselves in a beautiful little home on Kenwood street near the residence of his parents. He was in the June draft and realizing the acute need at that time of chemical experts, he offered his services to the government and was assigned to work in one of the plants of the Hercules Powder Company which was executing government contracts. He and Mrs. Weaver transferred their residence last fall to Berkeley where they have since made their home in the expectation that Mr. Weaver would be sent east to take charge of a plant for Hercules Company next summer.

A. L. Weaver and his wife left a host of friends in Glendale where he was prominent in Elk circles having been installed as Esteemed Lecturing Knight in the local lodge last April. Mrs. Weaver was a great favorite in club and social circles and until she resigned the office was Corresponding Secretary of the District Federation of Woman's Clubs.

BIRTHDAY CELEBRATION

Mr. and Mrs. O. A. Lane, 209 East Chestnut street, delightfully entertained members of the family at a luncheon party yesterday in honor of Mr. Lane's mother, Mrs. S. J. Lane. Luncheon was served in courses and a birthday cake, containing 83 candles, graced the center of the table. The honoree, though 83, is very active, and embroiders, crochets, does tatting and all kinds of needlework. She is also a painter of landscape and has many beautiful and valuable paintings in her possession. Mr. and Mrs. Miller of Elk street, formerly of Spokane, Wash.; Mr. and Mrs. Samuel Mason, and other friends, called during the afternoon to pay their respects and to wish Mrs. Lane many more pleasant birthdays.

I LOVE YOU CALIFORNIA

A LETTER FROM A "SLOPER" ON THE EAST COAST TO A "SNOW DIGGER ON THE WEST COAST

The Evening News is indebted to L. T. Rowley for a copy of "Our Navy," containing the following communication from a loyal Californian which struck a responsive chord in his breast and which he believed would be of equal interest to other Glendalians:

Dear "Snow-Digger:—

When we were on recruiting duty together out in the Far West we used to have some regular old fiddle arguments on the comparative merits of the East and the West. You stuck

NO COMPROMISE

DEFIANT TELEPHONE OFFI- CIALS SAY TOLL WILL BE IN EFFECT FEB. 1ST

Captain D. Ripley Jackson, who has been in conference with Messrs. Mason and Lynch, telephone officials in Los Angeles, for the past two days as the representative of the Greater Glendale Development Association, has reported to the president of the Association, Norton C. Wells, and advised the Glendale Evening News that the final word of those officials to him was to this effect: "Regardless of the attitude of the people of Glendale or the action they may take, the toll rate of ten cents will go into effect the first of February. There is no compromise and that is the final advice of the telephone company."

These officials have agreed, however, to send a representative to the meeting of the Development Association next Tuesday evening at 7:30 o'clock.

Captain Jackson feels that the public cannot be too strongly impressed with the importance of this matter to Glendale. He states that his committee has taken all the steps it can, that it has written to Congressman Randall and has wired to City Attorney Evans in Sacramento, the result of the negotiations with Los Angeles officials.

"If carried out this order will mean a crushing blow to Glendale," Captain Jackson declared. "The more you consider it, the worse it seems, to have such a tax as this added to the cost of carfare to Glendale."

The climax of unfairness and overruling the public has been reached by this octopus body, the Telephone Company, and from henceforth the war is on with the issue "Might against Right." The people of Glendale will stand firm in opposing unfair toll charges.—Editor.

THE ARMENIAN DRIVE

Chairman Ezra Parker reports from the headquarters for the Armenian Relief Drive at 117 South Brand that everything is working fine, that a steady stream of money is flowing that way in subscriptions which range from \$1 to \$10. Every one who wants to help relieve the distress of this terrible calamity is invited to call at the headquarters where subscriptions will be gratefully received and receipts given for them. Also, volunteers for the drive next week, January 15th, are asked to call and report when they will be assigned to definite work.

Yesterday circulars and pledges were distributed in all parts of Glendale by Boy Scouts and others for the information of the public in regard to this drive. Anyone who failed to receive this literature can secure it by calling at headquarters where additional information is to be had from Chairman Parker and workers who are assisting.

FROM PRISON CAMP

HERMAN NELSON RECEIVES NEWS OF HIS BROTHER CAP- TURED BY HUNS IN OCTOBER

Great relief of mind has been experienced by Herman Nelson of this city, who has just received authentic news of the welfare of his brother, Sergeant Victor Nelson, who was taken prisoner by the Germans October 1st. The information is conveyed in a letter he has received from another brother, Fred Nelson, just discharged from Camp Gordon, Ga., where he had been taking an officers' training course. The news is based on a letter from Sergt. Nelson, addressed to Mr. Nelson's mother, dated December 12th, from Vitchey, France, which stated that he had just gotten back to France, having left Germany December 9th. He said he was in a rest camp and expected to leave shortly for the United States but could not get home to Iowa in time for Christmas. He said very little about his sojourn in Germany beyond the statement that "it was hell and they tried to starve me." He referred to the fact that he had visited Belgium, Switzerland, Italy, France and England and his brother figures he must have done considerable traveling. Sergeant Nelson feels that he is pretty lucky to have come through "altogether" as he was in some fierce fighting. He is getting fine treatment now, he says.

This is the first very definite news the Nelson family has had since a comrade of the Sergeant advised them of his capture by the Germans and they are very thankful it is such favorable news. Herman Nelson hopes to have a letter from Sergeant Nelson direct before long or to receive word of his arrival in New York.

"I LOVE YOU, CALIFORNIA"

(Continued from Page 1)
up for the East—I was strong for California although I had never seen the East. Now 'm East—bound for France—and I've had a chance to get an impression of the East Coast. Don't ever boost it to me again! I'm off for the North Bombing Squadron in France. They can't bomb me out of New England fast enough. I didn't get much of a kick out of New York. Of course it's big and there are a lot of people there; the same is a fact in the case of China, for instance. They charged me a nickel in New York to go through a gate! Can you beat that? Then we met some New York chickens. I guess they were the original chickens from Noah's Ark. Gosh, how they could eat. At least seventy-five cents worth. They also can eat molasses kisses, popcorn and hot dogs, etc., etc. Very heavy on the "etc." About midnight they begin to get tired from eating so much and suggest going home in a taxi! We took a street car marked Broad street, but the conductor forgot his lunch and had to run around by Sand street. Visited the Astor and stayed there long enough to write a letter to all my friends on the hotel stationery. It costs you a dollar and a half to say "good night" to the bell hop. Couldn't find any place to sleep so turned in to the Woolworth Building Elevator. Slept there for about two hours and then the elevator man woke us and told us we were on the top floor. We told him we'd sleep a couple more hours and we turned over and went to sleep again until we got to the bottom floor. When we started up the elevator man was within the draft age. When we got back down he was an old man with a long white beard like Bob White or Tom Kennedy.

Next we took a trip to Philadelphia. We arrived there on a Monday morning and the people were frying fish—they thought it was still Friday of the week before. The cops have cob-webs all over their feet. A corpse was found in the main road of Gerard Park—it had been lying there for a week, but nobody picked it up. They thought somebody was merely taking a nap.

After seeing the East Coast I know that California is God's Land—made with one object in view. Immigrants came here in the East and just worked West and it got better and better all the time until they reached Frisco. We used to think the old '49-ers were a hardy set of brave pioneers. I don't think they were. All they had was good common sense—they came in out of the rain—and the snow. All they had to beat was a bunch of Indians who merely wanted to scalp 'em. Here in the East people are waiting to scalp 'em, skin 'em and EAT 'EM!

Say "hello" for me to Goat Island, Market street, Lotta's Fountain, the poppies, the redwoods, the Golden Gate and everything—and tell 'em I'm going to tell some Huns about California; and MAKE 'EM LIKE IT!

Yours while my wind holds out,
"DOC COLLINS,"
Sloper.

SALVAGE NEWS

Chairman L. T. Rowley and Mrs. Jack Boettner have completed the assortment of salvage at 143 Brand Boulevard and the portions of it not retained for the Red Cross Shop have been boxed and will be taken to Los Angeles by the Red Cross Truck in the near future. Quite a local market has been found for some of it to be used in the manufacture of rag rugs and also for machine wipes.

Today Mrs. Hartley Shaw and a corps of assistants from the southern part of the city, young people of the Cerritos School under direction of

TUJUNGA

Bruce Parmeter returned to the valley on Saturday, after more than a year's absence in aviation work, looking well and happy, but glad to return. He held the position of chief machinist at the time of his discharge.

Mrs. Spencer and daughter, Frances, are visiting with Mrs. Pemberton. Frances will remain for the school year.

Otto Felhaber has also returned from camp. We are glad that all who went from this section will be able to return home again.

Mr. Harrison Hall was at his home on Sunset boulevard on Tuesday—and would like to return if suitable arrangements can be made.

Miss Rose Avery is again in Tujunga for a short stay at her home.

Mrs. Johnson of San Ysidro street is quite ill with a heavy cold.

Brig.-Gen. Hatch has returned to Washington, D. C., after a ten-days' visit with his father and sister.

The ladies of the Woman's Club will hold a special meeting at the home of Mrs. Darlington on Stephens Way on Thursday, Jan. 16th, at 2:30 p. m. Let every member be present as business of importance will come before the meeting. Mrs. Dean, Pres.

Mrs. Morgan of Oak Glenn met with a serious accident the day before Christmas, when a kettle of boiling soup exploded throwing it over her face and arms, scalding them severely. At present she is so nearly recovered that she is thankful it was no worse.

The Ladies' Aid held its regular meeting at the home of Miss Zoe Gilbert on the first Thursday of the month. This was the day for election of officers, and Mrs. Wieman was elected president; Mrs. Lang, vice-president, and Miss Zoe Gilbert, secretary-treasurer. The outgoing officers, Miss Atkinson, Miss Mary Lewis and Mrs. J. T. Ward have held their respective offices for the past three years, and were glad to be released from duty. A dainty collation was served by Mrs. Kearney and Miss Gilbert as hostesses after the election.

Mr. Wilnot Parcher has been under the weather since New Year's, think the festivities were too much for him.

The continued cold weather coupled with a high wind caused many of the small lemons to drop.

Mr. Julius Eckert has returned from Imperial, and thinks Tujunga with all her rocks is the best home place.

Mr. Wieman spent the day Wednesday in the city as a guest of Mr. Jamison, who formerly lived here.

Col. Church, who is spending the winter here at the home of Mrs. Colburn, was an honor guest at the Jonathan Club on New Year's Day.

Richard Brissenden was a caller on Tuesday looking after the interests of his mother's property on San Ysidro. He is now located in Los Angeles.

Mrs. Dean, who has charge of the knitting squad of Tujunga, sent in a large consignment to the Navy League this week. She has not received orders to stop the work, but to continue the same.

Mrs. Jeffries, of San Diego, and brother, Clarence, from Imperial, are spending a month here to try out our fine climate. Dr. Jeffries, who is a physician at one of the cantonments, near San Diego, came up with them, but has now returned to his duties.

Mrs. Leckie is quite ill at her home on Pine street.

Mrs. Castello, who has been a victim of neuralgia, has entirely recovered.

Mr. Green of Glendale was a caller on Monday.

Mrs. Withington from Massachusetts is visiting with her sisters, Mrs. Chase and Mrs. Reed. They will all go to Long Beach this week where they have a home in building.

Miss Carrie Brown, who has been on the sick list for the past week, is reported improving.

WEATHER FORECAST: Fair, followed by unsettled weather with showers.

Personals

Miss Myrtle B. Harris, a former resident of Glendale, but now a teacher of science in the Pasadena Polytechnic High School, with her mother, was the guest of Mrs. Henry R. Harrower, Thursday.

The automobile of G. D. Allewelt, of West Lexington Drive, yesterday undertook an adventure all by itself, with disastrous results. Mr. Allewelt and his daughter, Gladys, drove to Los Angeles to visit the Westlake School and left the car standing on a hilltop, forgetting, evidently, to put the brake on. During their absence inside the building the car descended the hill, crashed into a tree and was badly smashed. Mr. Allewelt and his daughter came home by trolley.

Dr. Henry R. Harrower reports that the bungalow in which he has been living on West Broadway which was placed on the market Monday, has been sold for cash to a Mr. McGrew, of Nebraska, who has been a guest in Lancaster recently and looking for a home in Southern California. He expects to bring his wife and four children to Glendale in the near future and make his recent purchase their permanent home. This sale is a fresh evidence of the great demand for Glendale real estate, particularly such attractive property as Dr. Harrower offered.

Fine work was done at the warehouse of the Red Cross Salvage Department back of the Pacific Electric station Thursday forenoon by boys and girls of our public schools who assisted in collection and in sorting the salvage brought in, particularly the newspapers. Following are the names of boys and girls who took part in the work: Horatio Butts of the Intermediate School and Don Danner, Kenneth Martin, Hal Trueblood, Darrell Weed, George Farrell, Louise Moniot, Rose Jennings, Mabel Gardner and Naomi Dorsten of the Cerritos Avenue School.

O. E. S. DINNER PARTY

Thursday evening Mrs. Daniel Campbell was hostess at a beautifully appointed course dinner given for six fellow officers of the Grand Chapter of the Order of the Eastern Star in California and covers were laid for fourteen. The guests were here to participate in the installation of officers of Glen Eyrle Chapter which took place the same evening at Masonic Temple. The table was centered with a cut-glass bowl filled with beautiful white roses which had been presented to Mrs. Campbell the night before by a Los Angeles chapter at which she had officiated as Grand Chaplain in installation ceremonies. For each guest a little souvenir was provided appropriate to the office held. The honor guests were: Worthy Grand Patron Darwin W. Pierce, Worthy Grand Marshal Mrs. Elizabeth Wheeler (who belongs to the General Grand Chapter of the United States); Grand Conductress of California, Mrs. Maude Sibley; Mrs. Darwin W. Pierce, wife of the Worthy Grand Patron, and his daughter and son-in-law, Mr. and Mrs. Amos; Dr. Sibley, husband of the Grand Conductress; Mrs. Standard, Past Grand Matron; the two sons of the hostess, her niece, Margaret McPeak Campbell, and, of course, Dan Campbell, husband of the hostess, and her daughter, Miss Kathleen Campbell.

As this is the season when installations are taking place, Mrs. Campbell's services as Grand Chaplain have been in great request. She had engagements for every night last week and is likely to be kept equally busy for some time to come.

NEWS FROM SOLDIER SON

Mrs. George Holman, of 104 North Central avenue, has had letters from her son, James Miller Holman, who has been in France for some time and who has not had leave for four months. He was originally with the 143d Field Artillery, but getting impatient, found an opportunity to go ahead of his company and is now with the first division in Battery E, 6th Regiment of Field Artillery. He writes it has been a wonderful experience for him, but gives no particulars of the battles in which he has participated though he says he has had some close calls. November 24th, when the letter was written, he had just gotten settled after having been on the move constantly for two months. In the interval he had written letters, but had had no chance to mail them. He is now with the army of occupation in Luxembourg, but expects to be home by the 9th of February.

ADVENTIST CHURCH

Elder H. G. Lucas, pastor of the Glendale Seventh-Day Adventist Church, corner Isabel street and Wilson avenue, announces that it has been definitely decided to hold church services tomorrow (Saturday) morning. The meeting will begin at 11 o'clock. There will, however, be no Sabbath School tomorrow.

VALUE OF PROPAGANDA

SUCCESS OF TELEPHONE CO. IN "PUTTING OVER" TOLL IS UP TO PEOPLE

One of the most interesting disclosures of the present war is the news that among the war activities of the Germans was a special department called the "Bureau of Enemy Psychology" whose sole duty it was to study the morale of the people of the various countries with whom they were engaged in war. Now according to Webster, morale means—state of mind, confidence, courage. The Germans were also the first to recognize and realize the value of propaganda and we must all admit that they were amply repaid for their painstaking efforts that they took to break down the state of mind or morale of their enemies when they very nearly succeeded with Italy and France and even more so with Russia. With Italy they used the propaganda of religion, with France they worked through the defeatist and with Russia through the Bolsheviks.

American business men were very quick to realize the value of propaganda as witness the advertising propaganda now being conducted by the packers. This propaganda is being carried on with the idea of creating a mental picture of the packers being persecuted by the Government. Whether it succeeds or not is entirely up to the public who read these ads.

At the present time there is being carried on in our city a certain propaganda by the telephone company, to prepare the state of mind of its subscribers to an exorbitant toll rate between Glendale and Los Angeles. The telephone company have, I understand, imported a crew of men whose sole work consists of calling up the subscribers of the company, telling them of the toll rates about to be put in effect between Glendale and Los Angeles.

The telephone company informs the public at large that they have met with very few disgruntled subscribers. To me this is a reflection on the intelligence of telephone subscribers of Glendale because I question whether 10 per cent. of the subscribers who have been called up have acquiesced to the new toll rate. Roosevelt had a certain phrase which would cover the foregoing.

Whether or not the telephone company succeeds in putting over this toll rate is a matter that is entirely in the hands of its subscribers. It is a question of principle and the telephone company can be made to realize this fact if subscribers will inform the company that should the toll rate go into effect they would have their phones taken out.

Of course, the writer realizes that there will be a number of subscribers who will state that they cannot do without a telephone, but if the public could be made to co-operate together for 90 days, the telephone company would be brought to time and a fair and just rate would again be in vogue.

I realize the fact that we have become so educated to the efficiency of the telephone that we would not want to be without them for any length of time. Here is an opportunity to prove our unselfishness and at the same time not allow this corporation to put something over that we should not tolerate for a single moment.

Respectfully,
 FREDRIC A. CLARKE,

LA CANADA

The La Canada Water Company is talking of extending its tunnel another 200 feet, having succeeded in developing something like 11 inches of water in the work that has been done. The annual meeting of stockholders of the Valley Water Company will take place the last Saturday in this month at 2:30 p. m.

The dam to be put in at Devil's Gate by Engineer Reagan of the Flood Control, is about to be commenced, in fact, plans and specifications will be given to the contractors about the 15th of this month and bids will be received on February 2d. It is expected that the work will be completed by the middle of July or the first of August. The dam is intended to serve two purposes. One is the impounding of Arroyo Seco water and preventing flood damage along the banks of the Arroyo Seco between Pasadena and Los Angeles, the other is to furnish a highway between La Canada and Pasadena, the top of the dam being widened to about twenty-four feet, the extra width to be carried on cement arches springing from the body of the dam. Consequently the dam will be both ornamental and useful. This is a very necessary improvement to La Canada and the State Highway because of the fact that the present iron bridge across the Arroyo Seco has been condemned for more than two years past and closed to traffic for the past year. The highway is practically complete from Pasadena through La Canada, La Crescenta, Monte Vista to San Fernando. This bridge will fill an important gap.

Two or three important real estate deals have been made at Flint Ridge recently. Plans are out for one home to cost \$50,000 and two more that will run up into five figures, \$10,000 or better. There is a great deal of inquiry for real estate in the valley and a good many small places are changing hands.

where in Belgium," is dated October 30th, and in it he writes:

"My Dear Parents:—You can see by the address that we are seeing something of Europe. This is pretty good level country and fertile, too. They raise good crops and the towns look as if they were once up-to-date. France did not appeal to many of us and we are glad to see some of the other peoples.

"Day before yesterday I received seven letters, including one of yours and was sure glad to hear from you.

"Yes, the Huns are on the run proper and we have seen the locations of some great battles. The boys have just been saying that tomorrow night is Hallowe'en, but don't know how we could celebrate much.

"Nowdays we are not able to write as often as we used to do because while traveling the mail cannot be censored.

"I would like to mention lots of things, but we cannot give much information through the mail. The British can only write cards home which have certain things printed on them and they underline the information they want to send. I will enclose one I got from a Tommy.

"Lovingly,

"PRVT. CARL FRIEDGEN."

The card enclosed contains the following sentences which are supposed to be made to fit the case of each soldier by underlining or the use of a cross in the blanks:

I am quite well.
I have been admitted into hospital.

(Wounded) and hope to be discharged soon.

Private Carl Friedgen's next letter is dated November 27th from Waken, Belgium, and says:

"My Dear Parents:—Just received your letter of October 25th.

"I suppose you know as much about the peace terms as we do over here and we are all glad to see things come to a head.

"We are now allowed to tell where we have been. Our division has sure done some traveling since it came over here. First we landed at Liverpool, then went to Southampton, then to Cherbourg, France. From there we went to a little place called Enouvioux which is not on the map but is near Sangres. Here we spent about six weeks drilling. As early as September 26th our division was on the line and has been off and on since that time. The Argonne front is where it did excellent work. We were then shipped to Belgium, getting off the train at Ypres where the British made such a stand and where we found a large demolished city with scarcely a whole wall standing.

This territory has been under shell fire for over four years so you can imagine the looks of it. We marched through this region on toward the front, stopping at intervals, and finally got about twenty miles past Audenarde, and here, on this front, is where the armistice was declared.

That was as near Germany as we got and we are now back near Audenarde.

"We don't know a thing about when we will go home, but hope they will pick our division to go soon—they can't all go at once.

"Tomorrow is Thanksgiving and I would like to be with you, but know you will have a nice day. I wish you both a Merry Christmas. There are only blown-up towns around here and no place to buy your Christmas presents, but perhaps later will strike a place.

"Lovingly,

"PRVT. CARL FRIEDGEN."

Upon motion the same were referred to the City Manager to ascertain the aggregate amounts and to report to the Board at its next meeting.

A report was received from the Tax Collector, showing the amount of \$1,032.57 collected since the last report, making a total of \$55,850.16 for the season.

Demands numbers 8229 to 8290 inclusive was presented and upon motion referred to the Finance Committee.

Trustee Shaw made a motion, which was adopted, that the action taken in committee meeting on Saturday, January 5, 1919, directing the City Attorney to go to San Francisco in connection with the proposed increase of telephone rates, be and is hereby ratified and confirmed, all voting aye.

The Manager of the Public Service Dept. reported certain personal property not now needed on East California street, consisting of abandoned pump building and a quantity of junk, and requested authority to sell the same. On motion of Trustee Shaw, the Manager of the Public Service Dept. was authorized to sell the property alluded to at the best price obtainable.

The report of the Health Officer was submitted showing the average number of cases of influenza reported in the city during the past week was 17 per day. The report was filed.

Trustee Henry made a motion, which was adopted, that when the Board adjourned it be to meet on Tuesday, January 14, 1919, at 7:30 p. m.

The following resolution in respect to the death of Elizabeth Parker Sherer, wife of City Clerk J. C. Sherer, was on motion of Trustee Shaw adopted by the Board:

Be It Resolved, By the Board of Trustees of the City of Glendale, that the members of said Board hereby express their sincere personal sympathy to J. C. Sherer, City Clerk, in his bereavement caused by the death of his estimable wife, Elizabeth Parker Sherer, who has long been an active and highly respected member of the community.

Be It Resolved Further, That this resolution be spread upon the minute book and a copy given to Mr. Sherer.

Upon motion the Board took a recess of 30 minutes, at 8:45 p. m.

The Board reconvened, all members present.

Upon recommendation of the Health Officer the office of Inspector Chobe was temporarily removed to Dr. Chase's office pending the prevalence of the influenza epidemic.

Upon motion the salary of P. Diedrick was increased from \$147.50 per month to \$160.00, beginning January 1, 1919.

WHEN HE COMES HOME—there should be a new Portrait to record the event. We will make such pictures free of charge to every sailor or soldier; tell your friends there is no limit. All are welcome. Bring the uniform. No obligations to order photos. You get one free, and we keep one for a large group to be finished when all are back home.
